TRAIL MANNERS

Good manners is the grease that helps people get along with each other, avoiding friction.

- **16 & UNDER MUST WEAR A HELMET.**
- Be aware of the effect **your** actions have on others, their horses and their property.
- Do not upset your co-riders' horses.
- Ride at a quiet, controlled pace.
- **NEVER PASS OTHERS AT A GALLOP.**
- Keep a safe distance… don't crowd others.
- STAY WITH A DISMOUNTED RIDER
- Respect the property of others. (ie: lawns, farm fields, crops, groves, livestock, etc.)
- Leave gates as you found them: Open gates should remain open. Closed gates should remain closed.
- **DO NOT PASS THE TRAIL BOSS or drop behind the drag rider.**
- Stay with the trail boss on the same side of the road. Do not split the road.
- Clean up after your horse. Pick up manure or spread it depending on where you are. Do not clean your trailers out when you unload.
- **NO PROFANITY AT ANY SFTR EVENTS.**

REMEMBER! If you mind your manners others won't mind when you and your horse return to ride.

TROPICAL PARK HURRICANE STALLS

First! Reserve your stalls with Debi Cat-Priest at 305-775-1820. When a Hurricane Watch goes into effect, the barn manager, Pablo Tejeda, will attempt to reach everyone to confirm that you will take possession of your stall. If unsuccessful, he will reassign your stall for that hurricane to some-one else. Do not call Pablo unless a Watch is in effect. Email Pablo at PabloT@miamidade.gov and text Debi at 305-775-1820 only if a WATCH is in effect.

Your reservation fee per stall is $28.00. This reserves a stall for the 2019 Hurricane Season.

Once a Hurricane Watch goes into effect and you take possession of your stall, **on the 25th hour you will owe Miami-Dade County an additional daily fee, plus an additional $28.00 to re-reserve your stall for the remainder of the 2019 Season.**

Upon arrival, Pablo will need to see your Coggins papers. Suggested items are flashlight, buckets with clips for water, (muck buckets work), a fly mask, your name, horse's name and phone #'s taped to your stall doors, halter, written on your horse, a bale of hay to put in the stall so the horse has something to keep him busy all the hours he is there etc.
You can't leave anything but your horse at Tropical Park.
Depending on the storm's estimated arrival, Miami-Dade County will lock the park gates.

Once the Hurricane Watch is lifted, you have 48 hours to remove your horse. All stalls must be STRIPPED before leaving or an additional charge per stall will be applied and you will be unable to reserve stalls in the future.

Due to Debi's own hurricane preparations she will not be as responsive if you wait until the last 3 days before a storm to reserve stalls. You may not get a stall if you wait until then. Please reserve now if you want a stall!

Hope to see you on the trail – not at Tropical Park!

They are booked full at this time but contact Debi for wait list.

PRESIDENT'S MESSAGE

Hello Trail Riders,

Since our annual renewals are in August, I'm always reminded the many reasons some of us join SFTR. I'm told many of you appreciate the concrete stalls available to our members at Tropical Park. Some seem to only remember to update their membership when the Beach Rides approach. And of course, we all love to enjoy local rides and camping together. But if you know our club you must admit we do so much for our members, horse activities in general, and to promote horses in our community. Our Parade Team shows the world our beautiful horses while thanking those that serve in our defense, celebrating the Holiday season, and demonstrating how much we love our country.

The SFTR recognizes the importance of our children, so we encourage and support those that take an interest in horses and other farm animals, we hold fundraiser rides for special needs children, cancer treatment and research, as well as a toy drive for the needy in our own community.

Come to our meetings. We often have interesting speakers some professionals and some friends and members. So, for whatever reason you are a trail rider we are a great group, a club, horse lovers, friends, patriots and most of all a family. If you ride with SFTR you ride with the best..... well, that's my opinion.

C' y'all on the trail,

Mike Maldonado

AROUND THE PADDOCK... School Starts & So Does Our Ride Season

Despite the high temps, SFTR have been gearing up for our regular season of school, sports, and riding. From the west coast, Charla Liford took Grand Champion on Russell at the Fox Lea Farm Sept. Open show. They are becoming quite the jumping pair! In the Plantation Equestrian Center show, Celine d'Arbelles on Jesus took 2nd in 3'3"-3'6" schooling jumps. Congratulations! Running two barrel races in one day, JJ Idiaquez hit a clean run for her first time at an IBRA in Naples; & the second race back here at home (after lots of rain made for a muddy arena), where she finished 2nd in 4D...& made some money. Now that's a great day, indeed!

Taking a break from riding to compete in the Miss Rodeo Fla contest, were McKenna Andris and Jaylyn Dorado. Congratulations to Jaylyn for being selected as second runner-up as a Miss Rodeo Fla. Princess, and to McKenna for being crowned the new 2020 Miss Rodeo Fla! Also escaping the hot trails recently has been Cheryl Quintana – who was spotted kayaking the Silver River.

Our next SFTR General Meeting will be Mon. Oct 7, at the Latin Mix Restr.- dinner 7pm, meeting at 8pm. We have Scouts from Troop 69 coming to speak about our upcoming Spaghetti Ride, and a surprise guest speaker! Don't miss the opportunity to hear about our club rides, camping, get your spaghetti dinner tickets and hear about a fantastic new equestrian center in our area – owned by a fellow SFTR!!!! Come hear all about your SFTR's exciting new season.

SUNSHINE REPORT

Hello SFTR family. We have celebratory news and sad news, yet it is our news to share:

Our condolences go out to Tyra Phillips, for the loss of her wonderful golden companion, Zareen, who was laid to rest on Friday, September 6th, 2019. We are so sorry for your loss, Tyra, and hope that knowing she will be very missed by everyone who was lucky enough to meet her, will help ease your sorrow. We also wish to send our happy thoughts to Rachel Shearing and her new cat Freddy. Once a stray, Rachel rescued Freddy Krueger, and is giving him a wonderful life.

A shout-out to Abigail Goostree for her acrobatic landing off of Spike, in the Obstacle event. Her sore ankle kept her hobbling about for a couple of days, but we hear she is ok now. Tough little cookie!

Speaking of little, Starbucks (Jessica Winer's mini) missed the Obstacle event this year due to laminitis – hope the rest and TLC solves the issue quickly. Our positive thoughts also go out to Adrianna Rue, as she is fighting another bite/cellulitis infection.

Hey there all - please don't forget to keep me posted on your events: love, anniversaries, births, illnesses, and/or special requests. Anything we can share here to bring loving support from our SFTR family. We need your input so there can be a Sunshine report.

From your sunshine reporter, all the best as I'll see you all next month. Please keep those Sunshine notes coming to my email: annakrides@gmail.com or via text to my cell, (786) 286-0643. Happy trails & great rides!

FEEDING GREATNESS

SFTR TOY DRIVE KICK-OFF WAS TREMENDOUS

On Sat., Sept.7th, we had our Kick Off party at the Keg South of Homestead, for the Christmas Toy Drive … and it was a great success! I must start this off with a HUGE Thank You to Carolina & Nelson Rodriguez, Bonny George Jr, Brandon Ramos, Chris Rego, Mike & Deda Maldonado, and David & Carol Ruiz, for helping with the event. Wouldn't have been possible without everyone's help!

We collected a total of 72 toys: from attending club members, Budweiser anonymously gave some basketballs, and David & Carol Ruiz brought a bunch that they had purchased throughout the summer.

Drum roll please..... We brought in a total of $733 in cash! Matt (the Keg) offered a free burger with a $10 donation; so between the burgers & donations, we received $166. The 50/50 raffle was a big hit, with lots of people participating. The winning ticket was one of David & Carol's, and they donated their winning back to the Toy Drive! With that, the 50/50 raffle got us $515 and then $52 from the items raffle.

Mike, as "Santa on his Caribbean Vacation" , was a big hit with the regulars and club members - we got some great photos! Nelson did a fabulous job as DJ, entertaining everyone before the UM game as well as during half time and on commercial breaks. A big Thank You to all the club members that came out to Keg South! Sylvia & Tony Cruz-Alvarez, Eddie Garcia, the Cabrera Family, the Soucy-Reynolds Family, Dick & Carol Hakanson, Catherine & Colby Stroud. Also, a thank you to JC Vina and Luis Valdeon who donated money that morning at the Freedom Walk.

Dougie Hitchcock generously broadcasted live on Thunder Country, advertising and getting people to come to the event, from 5pm to 7pm. He also had been mentioning the event all week on the radio. We are lucky to have him helping with the toy drive!

Last but definitely not least, we cannot thank Matt Ewing and Tiffany Miller enough for their support and partnership with the Keg! Their support of the SFTR Toy drive and commitment to helping the children of our community is gratefully acknowledged.

Overall, we had a great start to the season and we are ready for more! Checkout the Newsletter's Calendar for our upcoming events! And also keep an eye on the SFTR Facebook page for flyers to share. We welcome ALL SFTR to join in this annual event, which puts smiles on so many children at holiday time. Thanks!

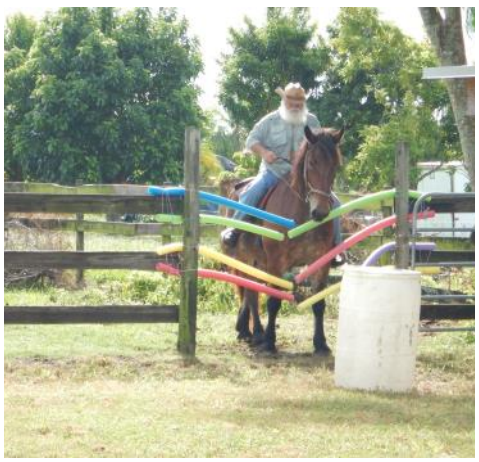
IT'S AN OBSTACLE JUNGLE OUT THERE!

Sonny and I would like to thank the more than 40 SFTR who lead-lined, rode, or attended to cheer on their friends in our recent Obstacle Challenge! We couldn't have asked for better weather, nor a more patient group of participants. There were several juniors this year, taking turns on different horses. Glad to hear young Abigail G. is doing fine, since from her pop-off early in the day – she was quite a trooper! A note of thanks to Linda L, as her paramedic talents were applied on the spot. We had the juniors trying the course for the first time, moms & dads handling the cameras, and parents/grandparents riding as well. We had the usual tires, bridges, water, noodles, & items to tow; but there were a couple of new items this year: a fur-tailed weasel ball rattling in a metal tub, a bowling ball garden, a "stall" space (walk in or back in), a big tractor tire as a step-up, some giant felled natural tree logs as cavaletti, a scary eagle head (courtesy of Lisa M.), & a narrow elevated catwalk . The catwalk is actually wider than those found in more commercial obstacle clinics, and was only successfully done by a few. The mental focus & precision walking demanded by the task is good practice for rider & equine alike. There were many who worked their horse in-hand, as well as riding the course. That lower stress lead line presentation of the obstacle to the horse promoted the horse's understanding & achievement, and the results were amazing!

After the group rode a few parade-type formation patterns, the herd took a short ride to a neighbor's house. The treat for this year...our SFTRs could ride up close to many beautiful alpacas! Thank you to all those who brought fruit, & chips for lunch; extra water (Mike & Lisa), and to everyone for sharing their horses, or encouragements from the side-lines, making the day a success. Hopefully the trails ahead will not be so much of a jungle of challenges...but remember, anything can be an obstacle – it's simply how the rider or horse perceives it!

~Bonny George, Jr.



Kenneth Jerrol (KJ) Smith

It is with a heavy heart that I inform you that our friend KJ Smith "rode off into the sunset" on September 4th 2019. KJ's death brings sorrow to his family and many friends from all walks of life. Please convey your sympathy to his family;
Miss Marie Smith, 146 Smith Road, Wrightsville, GA 31096

I would like to share some memories with you. I met my good friend KJ in December of 1995 during the Great Florida Cattle Drive. As a "wan-a-bee Cuban cowboy" I was hauling a log to our campsite and suddenly my horse started to buck until I got airborne. Then, KJ approached me and said "that was good entertainment" and offer a re-ride as he claimed that "I didn't lasted 8 seconds." Subsequently, conveyed some of his Cowboy wisdom, "Pard, misery loves company so I trust you're OK!"

Since that first encounter we nurtured a friendship in light of our passion for the "Cowboy way of life" and common interest for history, cattle, horses, and the tools of the Cowboy trade. At the end of the cattle drive I purchased a cow-whip from KJ and he took the handle off his own cow-whip and gave it to me. I still use that cow-whip nowadays and treasure the memories we nurtured since we first met. This was the first of many memorable journeys that took place over the years. Despite the distance, our friendship grew and strengthen over the next two decades as KJ and his family became part of our extended family.

Since 1996 I traveled each year along with friends from Miami to meet with our good friend KJ, a "Cowboy among Cowboys" and a legendary cow-whip maker. We attended the Cracker Trail Ride, the Osceola County Wagon Train & Trail Ride, the Kissimmee Valley Ride, the Cuban Camp, and the Florida Cattle Drives of 2006 & 2016, just to name a few events.

As an "Ambassador" of the Florida Cracker heritage and cow culture, KJ was instrumental in recruiting horse enthusiasts willing to travel into La Florida to participate in some of the above mentioned events. Often times the gatherings conveyed a cultural experience for many of the partakers.

Over the years we rode countless miles enjoying the opportunity to visit some historical ranches as well as sites and meet legendary cattlemen in the State of Florida. The word got out and every year many friends from Miami traveled to visit our friend KJ and his family and create fond memories.

KJ was an honorable man, a cowboy, whip maker, auctioneer and story teller. He had a vibrant personality and the willingness to help people was among some of his many blessings. A testament of his generosity were the countless Cowhunter whips he handcrafted and donated to a myriad of charitable events.

Furthermore, he made feel welcome everyone into camp wanting to learn how to crack a whip or share a story. He inspired many folks, but then again, he was especially proud of the young "whipper-snappers" that came to camp. He always greeted them with his famous words: "Pard you look a man in the eyes when shaking his hand, and do it like you mean it." Besides getting a fine Cow Hunter Whip and the history that came with it, the kids also got a lesson about honor, family, patriotism, pride, resiliency and work ethics which help them later in life.

He was the epitome of "True Grit" with his no-nonsense attitude and the fact he lived a simple life, during which he faced some hardships. KJ always radiated positive energy to the people's whose lives he touched.

He loved his wife Marie, his children Amanda, Nevada and Will, his grandchildren, his family, his friends and the "Cowboy way of life".

I have no words that can express how much KJ will be missed. We all have been greatly honored to have known him and enjoyed his friendship and camaraderie. He'll be missed and always remembered!

Now that KJ has made that inevitable ride to the Lord's country, he'll be watching out for us, and well mounted-up and waiting at the gates of heaven with the welcoming crew when we all finally arrive. Please keep KJ and his family in your thoughts and prayers as I will.

With heartfelt sympathy,

Domingo

2019 VFW FREEDOM WALK

Great weather combined with enthusiastic riders for a great display of traditional patriotism and reverence as we observed the 18th anniversary of the 9-11 radical Muslim attacks.

On that day nearly 3,000 innocent people were killed. Many of the first respondents continue to die as a result of contact with chemicals and other toxic materials during their tour of duty at Ground Zero. Members of the U.S. Armed Forces continue to die as a result of the ensuing war against terrorism.

After the National Anthem and Opening Prayer, the SFTR members rode out along with ROTC and Junior ROTC units, Boy Scout troops, Reserve Units, and private citizens including junior and senior high students. The SFTR contingent carried the American, Vietnam Veterans, Army, Marines, Navy, Air Forces, and Coast Guard flags.

I had excellent ground support from Lydia McDaniel and Ralph West (who also rode in the parade). Lydia multi-tasked registration duties, flag assembly, distribution collections and most importantly photography. Her photos were published on Facebook before most people returned to their homes. We also had some great photographs shared by Bonnie King-Moran from Brite Eyes Photography. In total, over 1,000 photos graced our Facebook page plus my own page.

I want to thank those members who were there with their horses to once again add what's become a tradition at the Freedom Walk; the SFTR and the Flags, as well as the ground support group for the great job they did.They are:
Colby Stroud, Holly Thommes, Mike Maldonado, Ralph West, Lynn Stine, Augie Saavedra, Henry Saavedra, Dennys Cabrera, Judy Arcia, Mayra Eakes, Renee Reynolds, Danny Medina, Domingo Hernandez, JC Vina, Luis Valdeon, Patricia Perez, Jessica Winer, Megan Barnes.

During the opening ceremonies JC Vina was presented with the VFW Diamond Award for his 10 years of service to the Freedom walk. He has always supplied the hot dogs and burgers for the lunch served to all the participants after the parade. The menu also included pizza, sandwiches, chips, cookies, ice cream , and other goodies.

Next year we will do it all over again. We will never forget the victims and families of that somber day. September 11, 2001.

~Manny Alvarez

PARADE TEAM NEWS

October is upon us, and you know what means...we are less than a month away from starting our biggest official SFTR parade!! Please join us for our events in Homestead, So. Miami, Miami, and Coral Gables. It is time to take out your uniform & tack, and check for size & completeness. We welcome ALL club members to walk, lead an equine, ride and/or carry a flag, as we spread the word of concern for our open spaces & love of horses with the community. The parades are a great way to involve youngsters, whether walking or riding, in the activities the adult members of the family enjoy. Students may also volunteer and earn community service hours while they have fun in the parades!

Our uniform consists of a long sleeved western cut pearl buttoned shirt, a gold bandana & slide, black slacks, dark/black boots, light straw hat & special hat band, black gloves, & black belt. Adults may elect to wear a helmet, but 18-under juniors **must** wear a helmet; and a black cover is preferred. For horses on lead-line with no rider for the Veteran's Parade, a red-white-blue halter & lead combo is generally used...or a standard solid black halter & lead combo – can't go wrong there for the whole year! For horses being ridden, whether the rider is on lead-line or solo, there is an official tack set we sell reasonably: black bridle/breast collar/reins, your clean saddle, black cinch (preferred), and a black fleece saddle pad. Check your current tack set now for repairs. If sets are needed, or parts, call me NOW so we can get you ready. I ask all of you for your support by joining us as a club member representing our fine club that we all enjoy.

Hopefully you went to the Obstacle event and had a great time getting your horse ready to ride or lead safely in all the parades. Always good to try safe activities that will help you and your horse be desensitized from stress-related events. You will need a current negative Coggins for each horse used during the season – so get your vaccinations & Coggins now and avoid rushing at the last minute. In our parades you can walk, ride or just help out a fellow member with their horse. Someone driving their truck as a safety vehicle would be appreciated, and Parade Team credit is given for this service. We look forward to having carts & buggies also!

Remember, our up-coming parade is for Veteran's Day, November 11th - in Homestead. We trailer to the field across the street from the VFW. Details to come, and contact me, or Bonny, if you need uniforms/tack, or want to sign up for the Parade Team! I hope I see more of you there this year for this parade and for the others on Dec 1, 7, & 19. Let's make this the best year ever!

FUTURE EVENTS

SPOOKTACULAR HALLOWEEN COSTUME CONTEST & RIDE IS COMING!!

Here is your chance to dress up your horse in a ghoulish outfit, and put on your best Halloween scary costume and enjoy the afternoon at Larry & Penny Thompson Park with fellow SFTRs. Barbara Ruiz-Gonzalez will TB this year's Halloween event, which will be open to ALL Trail Riders. Dress up your juniors (must wear a helmet if riding) and fashion a costume for you & your pony, and let's make this a fun fall ride. Lead-line equines, with or without a rider, are also welcome - for the contest and for the stroll around the park. It's a great way to desensitize a newbie horse and get your kids to join in a short themed ride with our club.

On Sunday, October 27, meet at the mango grove at Larry & Penny Thompson Park - entering on 127 Ave off of Eureka (SW 184 St). Arrive 1pm, dress up & friendly contest at 2pm, ride out at 3pm for about an hour. We'll ride the safe trails in the park (some paved, some grass/rock) and also stroll our horses through the RV campground. We should be back at the trailers a little after 4pm. After we un-tack, bring a chair & your homemade sandwich, so we can sit under the trees and relax. Water/sodas & chips will be provided. Non-riders are also very welcome, to the early contest, to walk with the group along the trails & in the RV section, or to come sit and snack with friends...just bring your sandwich & chair and dress up too!

It will be more fun for us & thrilling for the park visitors as we ride the trails & campground, if we have lots of participants. So start your costumes now and try them on your horse (so he's not too spooked) and let's make this a spooktacular ride!

SECOND ANNUAL …. RIDE FOR RETT SYNDROME

Come for a Redland 100 ride (2 hrs?) on Sat. Oct. 19 , enjoy your horse, great company and raise awareness. October is Rett Syndrome Awareness Month – it is our time to make a difference! Purple is Rett's color, so wear something purple or your last years Rett T-shirt. (Still have some sizes)

We are **not** soliciting donations of any kind at this event, but are merely spreading knowledge about this little known, but devastating disorder. Rett syndrome is a rare genetic neurological and developmental disorder that affects the way the brain develops, causing a progressive inability to use muscles for eye and body movements and speech. It occurs almost exclusively in girls. … Rett syndrome can also cause seizures and intellectual disability.

We will ride different roads in the Redlands, and then finish up back at my house for a lunch, fruits, and refreshments. It would be great if riders would bring a side dish to share: salad, cut fruit, desserts, chips, dips; and remember to have your chair to sit at lunch. Arrive by 9am to ride out by 10am. Plenty of parking at: 24550 SW 193 Ave, Homestead; 3rd house on the left, second gate past the house. Please, RSVP 305-331-4642 so I can prepare enough food for all!!!!

COME TO THE BOY SCOUT SPAGHETTI RIDE

We missed the event last year, but annually the Homestead Troop 69 Scouts host a massive spaghetti dinner, to raise funds for their activities for the year. This year the SFTR will have an afternoon ride which will end with their fundraising dinner. Wear your favorite SFTR T-shirt to highlight our club, as Joanna Idiaquez, JJ, will be the Trail Boss for this local ride on Sat. Oct 12. We will trailer to the Scout camp, 15415 SW 256 St., arrive at 12noon. Tack-up, and ride out at 1pm sharp (not waiting for late people), for an approx. 2- 2.5hr ride. When we return to the trailers about 3:30pm, tie off the horses, & by 4pm we will be seated beneath the spreading oaks in the forest/hammock where the Scouts will have dining tables set up. The feast (as in past years) will be mounds of spaghetti & sauce, with lots of garlic rolls, desserts, and cool refreshments. ALL SFTR are welcome to eat at 4pm with the group, and share in the great spaghetti, stories from friends, and support our local Scouts! Come enjoy a perfect end to a wonderful afternoon!

Please come to the SFTR General Meeting on Mon. Oct. 7, to hear more about the ride, and from the scouts about the fabulous spaghetti dinner. Tickets will be available at the meeting, $10 adult, $5 under 12yrs. Tickets will also be available after the ride at the Scout dinner. Let's enjoy a local trail and support Troop 69 – they've been around a while (ask Ben!)

Canter for the Cause Inaugural Event at Gulfstream Park - Saturday, Nov. 9

Walk, Trot or Canter Your Horse on the track at legendary Gulfstream Park, in Hallandale Beach, Fla. This will be a unique opportunity for all equine owners & enthusiasts to walk, canter or trot their horses

Canter for the Cause will benefit the Thoroughbred Aftercare Alliance and Whispering Manes Therapeutic Riding Center. Our annual SFTR Autism Ride proceeds go toward the students of Villa Lyan school in Kendall (a special needs school) so they may be given their equine therapy riding sessions at Whispering Manes.

By attending the Canter for the Cause, your donation of $50 per trip around the track will benefit both the Thoroughbred Alliance & Whispering Manes. The activity will run from 11 a.m. to 3 p.m. There will be three groups: Group 1- Arrogate (Walk), Group 2- Gun Runner (Walk/Trot), and Group 3- City of Light (Walk/Trot/Canter). Participants will choose their groups when registering. All participants will have a chance to have their pictures taken in the winner's circle by Gulfstream Park. All riders must wear helmets and proper boots or riding shoes. All horses must have a valid and current Coggins to show at registration.

Canter for the Cause has been conducted for several years at Pimlico Race Course in Maryland - home of the Preakness Stakes, the middle jewel of the Triple Crown. Both Pimlico and Gulfstream are properties of The Stronach Group, and through this event support race horse aftercare and equine assisted therapy.

To register and pay by credit card, go to: https://web.ovationtix.com/trs/pe/10443726 For more information go to: http://gulfstreampark.com/events-and-entertainment/event-calendar/details/2019/11/09/default-calendar/canter-for-the-cause or contact Nikki Bernstein at 954-817-1441 for more information. If you go, let others know so they can join in the excitement, and trailer-pool. Remember to sign-in as a So. Fla. Trail Rider and thank the hosts for contributing to Whispering Manes!
